

# **ATTENTION** Current and Former **Smokers**

**You may qualify for a potentially lifesaving lung cancer screening.**

With today's advanced imaging technology, doctors can detect even the smallest lung nodules — allowing early intervention, when lung cancer is most curable.

## **Lung Cancer Screening Eligibility**

- ▶ Age 50 to 80
- ▶ Current or former smoker with at least a 20-pack year smoking history
- ▶ Have no signs or symptoms of lung cancer, and no previous diagnosis of lung cancer

## **National Lung Cancer Screening Day Saturday, November 8, 2025**

Englewood Hospital is offering screening appointments at locations in Englewood, Fair Lawn, and Jersey City. Most insurance is accepted.
